CONGRATULATIONS

First things first, congratulations and best wishes on your engagement! The upcoming months will be filled with lots of love and excitement. Of course, they will also be filled with plenty of decisions, both big and small, as you begin planning what is sure to be one of the most memorable days of your life. As such, we have put an immense amount of thought into all of our offerings to ensure that while you are planning your wedding at the Waldorf Astoria Beverly Hills, the process is as enjoyable as the event itself.

ASTOR BALLROOM

The Astor Ballroom is elegantly designed for an unforgettable event. The distinguished space allows natural light to flow through our airy, ceiling height windows that frame the breathtaking view of Southern California. Named after the Astor family (the original owners of the first Waldorf Astoria Hotel in New York City), the 2,945 square foot ballroom boasts gold-trim wall décor that compliments three multi-faceted glass beaded chandeliers and can be divided into three individual salons allowing accommodation for ceremony and reception. The spacious foyer serves as the perfect pre-function space for a cocktail reception and guest transition, allowing every event to envelop invitees in luxury and sophistication.

CULINARY EXPERIENCE

With the unparalleled abundance of California's local, organic treasures, our culinary team creates a beautiful harmony of seasonal ingredients and artful craft, highlighting the finest flavors in each dish. Under the direction of Michelin-star rated Chef Jean-Georges Vongerichten, Waldorf Astoria Beverly Hills' unique offerings showcases inspiring and sophisticated culinary experiences for all guests.
